

## Stage 7 - Foxley to Malmesbury

## Directions:

From Foxley Church, head towards Malmesbury on Foxley Road. There are 2 options to reach Bremilham Mill:

- You can take stile on Left after Church Cottage; bear slightly Right to stile/steps into next field. This is a large, convex field – head off parallel to boundary on R – continue on this line to a stone stile in the stone wall, by the river. Cross stile, follow river to kissing gate onto road through Cowage Farm. Turn, over river then follow track to Mill.
- Alternatively, continue on Foxley road until you reach track to Cowage Farm, turn Left, follow track down to river (note Bremilham Church in the middle of the farm). Cross bridge then bear left to Mill.

From Mill – please take permissive path, turn Right along hedgerow (keep hedge on Left), heading for Hyam Wood. At the wood, turn Left along edge of field to reach bridleway alongside wood. Turn Right and go through a couple of gates. Continue out into fields away from the woods until you find a stile on your Right, just before a new field gate.

Cross through hedge-line then turn half Left to opposite corner of field. Follow track past farm building until you are into a field – turn Right at signpost. Cross field, passing close to telegraph pole to reach a stile in the hedge. Continue on same line, through another hedge then to the corner of the last field to a stile/bridge.

Cross track to Hyam Farm, cross stile, turn Left and follow hedge to corner of field. Cross stile, Turn Right, follow hedge to corner of field, then turn Left along hedge to stile onto playing files. Follow hedge on Right around playing field to reach stile into small field under pylons. Cross field to stile/gate and take track to Sherston Road. Cross the road and turn Right.

You can then either return to the centre of Malmesbury, or walk to Daniel's Well:

- For Malmesbury - follow road back into Malmesbury – Bristol Street, The Triangle, Abbey Row, Gloucester Street , Oxford Street to the Market Cross.
- For Daniel's Well - turn Right after Bremilham Rise down Dark Lane. Turn Right at Foxley Road, Cross Westport Bridge and then turn Left on track to Danielswell Farm then Left over stile and down to footbridge on mill leat.
